REQUEST FOR REVIEW

Pursuant to Sections 54.719(c) and 54.721 of the Federal Communications Commission ("Commission" or "FCC") rules, 47 C.F.R. §§ 54.719(c) and 54.721 (2003), Colegio Nuestra Señora de Altagracia hereby appeals the decision of the Schools and Libraries Division ("SLD") of the Universal Service Administrative Company to reduce the requested discount in Funding Year 2004 (07/01/2004 – 06/30/2005) from 80% to 20%.

I. BACKGROUND

On January 30, 2004, Colegio Nuestra Señora de Altagracia filed a FCC Form 471 with the SLD indicating the services for which it was requesting discounts under the schools and libraries universal service support mechanism (the "E-rate program").¹ On Block 4 of its 471 application, Colegio Nuestra Señora de Altagracia indicated that 175 out of 299 students enrolled during the 2004-2005 academic year qualified for a free or reduced price lunch under the National School Lunch Program ("NSLP") and requested an 80% discount on all of its funding

requests.² During the review of Colegio Nuestra Señora de Altagracia's application, the SLD requested documentation supporting the eligible discount rate for the school.³ Specifically, the information request, which was delivered to Colegio Nuestra Señora de Altagracia, requested the following information:

1. The total number of enrolled.
2. Total number of surveys/applications sent out
3. Number of survey/application returned
4. Total number of students that qualifies for the National School Lunch Program, using the Income Eligibility Guidelines (IEG) of the NSLP, per returned surveys/applications
5. Are the surveys/applications and results kept on file.
6. Provide a sample copy of the FILLED OUT SURVEY/APPLICATION with the child's personal information crossed out for confidentiality.
7. A signed certification that reads: "I certify that only those students who meet the Income Eligibility of the National School Lunch Program have been included in Column 5 of item 10b, Block 4 (Worksheet A) of the Form 471."
8. The information must be in writing on the school letterhead and signed by a school official (such as the Principal, Vice – Principal Superintendent, Director of Food Services.

On December 6, 2004 Colegio Nuestra Señora de Altagracia provided the information requested to the SLD on the school letterhead and signed by the school Director, Angel Castillo.⁴ In its response, Colegio Nuestra Señora de Altagracia indicated that there were 299 students enrolled, that 299 surveys/applications were sent out and that 299 surveys/applications were returned. It also indicates from those 299 survey/applications returned 175 students qualifies for the NSLP, that the surveys/applications and its results are kept on file and certified that only the students who meet the IEG of the NSLP had being included in Column 5 item 10b of block 4

² The specific funding requests are nos. 1124632 and 1124633.

(worksheet A) of the Form 471. Colegio Nuestra Señora de Altagracia also provided a sample copy of the socio-economic survey⁵.

On March 24, 2005 the SLD issued a funding commitment decision letter reducing the discount rate from 80% to 20%.⁶ “The site – specific discount was corrected” is the only indication related to the percentage awarded. The SLD provided no explanation on the reason for the percentage reduction.

The survey, which had been provided to the SLD during the PIA review process, asked parents to provide the size of the family, the number of students enrolled in the school, and the household income. Out of the 299 surveys distributed, 299 of the students completed the survey. From the 299 completed surveys, 175 (58.52 %) were determined to be eligible for a free or reduced price lunch under the NSLP in accordance with the Income Eligibility Guidelines of the U.S. Department of Agriculture. Following the SLD’s guidelines, Colegio Nuestra Señora de Altagracia concluded that 175 students, or 58.52 % of its student population, qualified for a free or reduced-price lunch under the NSLP. Using the discount matrix set forth in the FCC rules, a school with 58.72 % of its student population eligible for the national school lunch program qualifies for 80% discount under the schools and libraries universal service support mechanism.

II. COLEGIO NUESTRA SEÑORA DE ALTAGRACIA CORRECTLY DETERMINED THE PERCENTAGE OF STUDENTS ELIGIBLE FOR A FREE OR REDUCED-PRICE LUNCH UNDER THE NSLP.

Under the Commission’s rules, the discount available to a particular school is determined by indicators of poverty and high relative cost of service.⁷ First, the level of poverty for schools

⁶ See Letter from Schools and Libraries Division, Universal Service Administrative Company to Colegio Nuestra Señora de Altagracia, dated March 24, 2005

⁷ 47 C.F.R. § 54.505(b).

is measured by the percentage of their student enrollment that is eligible for a free or reduced-price lunch under the NSLP or a federally-approved alternative mechanism outlined in Title I of the Improving America's School Act (IASA).⁸ These federally-approved alternative mechanisms include data comparable to the NSLP data that is collected through surveys. As the Commission has acknowledged, surveys are particularly relevant to schools that many not have access to NSLP data, such as private schools.⁹ Second, a school's high-cost status is derived from rules that classify it as urban or rural.¹⁰ The Commission's rules provide a matrix reflecting both the school's urban or rural status and the percentage of its students who are eligible for the school lunch program to establish its discount rate, ranging from 20 percent to 90 percent.¹¹ Because NSLP data is unavailable for Colegio Nuestra Señora de Altagracia, it used a federally-approved alternative mechanism that relies on actual counts of low-income children to determine the level of poverty.

III. THE SLD ERRONEOUSLY CONCLUDED THAT THE SURVEY SUBMITTED IN SUPPORT OF THE 80% DISCOUNT FAILED TO MEET THE MINIMUM REQUIREMENTS.

Colegio Nuestra Señora de Altagracia submitted to the SLD exactly what it was asked to submit: (a) the total number of students (299 students), (b) the number of surveys/applications sent out (299), (c) the number of surveys/applications returned (299) (d) the number of students qualified to participate in the NSLP, 175 (based on the SLD projection guidelines), (e) if the survey/applications were kept on file, yes, (f) and (g) certification that only students that meet

the IEG of the NSLP have been included in Column 5, item 10b of block 4 (worksheet A) of the Form 471. In addition, Colegio Nuestra Señora de Altagracia provided a sample copy of the socio-economic survey conducted by the school. No additional documentation supporting the eligible discount rate for the school was requested.

IV. CONCLUSION

Colegio Nuestra Señora de Altagracia provided clear evidence to the SLD that it qualified for an 80% discount under the E-rate program since 175 out of 299 students (58.52 % of the student population) were eligible for a free or reduced price lunch under the NSLP. This data was collected through a survey that was conducted in accordance with the SLD's guidelines. Furthermore, the school provided the SLD with all the information that was requested during the application review process. Therefore, the SLD erred in its decision to reduce the discount rate from the requested 80% to 20%. Colegio Nuestra Señora de Altagracia respectfully requests that the Commission reverse the SLD's denial of the school's appeal and reinstate its application to be funded at an 80% discount.

Respectfully submitted,

Dear Madeline Melgen,
Applicant Name (All Puerto Rico Applications you have)
Contact Number: 1-787-731-6100
Application Number(s): Multiple

The Program Integrity Assurance (PIA) team is in the process of reviewing all Form 471 Applications for schools and libraries discounts to ensure that they are in compliance with the rules of the federal universal service program. We are currently in the process of reviewing your Funding Year 2004 Form 471 Application. To complete our review, we need some additional information. The information needed to complete the review is listed below.

Madeline, we are trying to find out how you get your discount information for NSLP. I'm sure you have something different, however, we will need to have documentation for all the Schools, Public, Private, Academies, Catholic, etc., with the **Total Student Enrollment** and those eligible for **Free (Gratis) & Reduced (Reducido) lunches**.

I tried to call the E-Rate coordinator for Puerto Rico, but no one spoke English.

If there is anything you can do, it will certainly speed up processing the applications. I don't know if you are the only one working on the applications for Puerto Rico, if there are others we will need a complete list of the schools with the information above.

Thanks so much for your prompt attention in this matter.

If you have already submitted the Item 21 Attachments, please fax an EXACT COPY of the Item 21 Attachments that were previously submitted. If you do not wish to resubmit the Item 21 Attachment, you are not required to do so. We will process your application once the Item 21 Attachments have been scanned into our system.

Please fax or e-mail the requested information to my attention. If you have any questions, please feel free to contact me.

It is important that we receive all of the information requested so we can complete our review. **Failure to do so may result in a reduction or denial of funding.**

Please send the requested information within seven calendar days. If you need additional time to prepare your response, please let me know as soon as possible.

Thank you for cooperation and continued support of the Universal Service Program.

NOTICE ON RULES AND FUNDS AVAILABILITY

Applicants' receipt of funding commitments is contingent on their compliance with all statutory, regulatory, and procedural requirements of the Schools and Libraries Universal Service Support Mechanism. Applicants who have received funding commitments continue to be subject to audits and other reviews that USAC and/or the FCC may undertake periodically to assure that funds that have been committed are being used in accordance with all such requirements. The SLD may be required to reduce or cancel funding commitments that were not issued in accordance with such requirements, whether due to action or inaction, including but not limited to that by the SLD, the applicant, or the service provider. The SLD, and other appropriate authorities (including but not limited to USAC and the FCC), may pursue enforcement actions and other means of recourse to collect erroneously disbursed funds. The timing of payment of invoices may also be affected by the availability of funds based on the amount of funds collected from contributing telecommunications companies.

A GUIDE TO THE FUNDING COMMITMENT REPORT

A report for each E-rate funding request from your application is attached to this letter. We are providing the following definitions for the items in that report.

FORM 471 APPLICATION NUMBER: The unique identifier assigned to a Form 471 application by the SLD.

FUNDING REQUEST NUMBER (FRN): A Funding Request Number is assigned by the SLD to each Block 5 of your Form 471 once an application has been processed. This number is used to report to applicants and service providers the status of individual funding requests submitted on a Form 471.

FUNDING STATUS: Each FRN will have one of the following definitions:

1. An FRN that is "Funded" is approved at the level that the SLD determined is appropriate for this FRN. The funding level will generally be the level requested unless the SLD determines during the application review process that some adjustment is appropriate.
2. An FRN that is "Not Funded" is one for which no funds were committed. The reason for the decision will be briefly explained in the "Funding Commitment Decision Explanation." An FRN may be "Not Funded" because the request does not comply with program rules, or because the total amount of funding available for this Funding Year was insufficient to fund all requests.
3. An FRN that is "As Yet Unfunded" reflects a temporary status that is assigned to an FRN when the SLD is uncertain at the time the letter is generated whether there will be sufficient funds to make commitments for requests for Internal Connections at a particular discount level. For example, if your application included requests for discounts on both Telecommunications Services and Internal Connections, you might receive a letter with funding commitments for your Telecommunications Services funding requests and a message that your Internal Connection requests are "As Yet Unfunded." You would receive one or more subsequent letters regarding the funding decision on your Internal Connections requests.

SERVICES ORDERED: The type of service ordered from the service provider, as shown on your Form 471.

SPIN (Service Provider Identification Number): A unique number assigned by the Universal Service Administrative Company to service providers seeking payment from the Universal Service Fund for participating in the universal service support mechanisms. A SPIN is also used to verify delivery of services and to arrange for payment.

SERVICE PROVIDER NAME: The legal name of the service provider.

CONTRACT NUMBER: The number of the contract between the eligible party and the service provider. This will be present only if a contract number was provided on your Form 471.

BILLING ACCOUNT NUMBER: The account number that your service provider has established with you for billing purposes. This will be present only if a Billing Account Number was provided on your Form 471.

SERVICE START DATE: The date services were reported to start for this FRN on your Form 471.

CONTRACT EXPIRATION DATE: The date the contract expires. This will be present only if a contract expiration date was provided on your Form 471.

SITE IDENTIFIER: The Entity Number listed in Form 471, Block 5, Item 22a. This will be present only for "site specific" FRNs.

Date: March 24, 2005
471 : 410127
BEN : 200457

The following information is provided to assist you throughout the application process. We recommend that you keep it in an easily accessible location and that you share it with the appropriate members of your organization.

FORM 486 DEADLINE - The Form 486 must be postmarked no later than 120 days after the Service Start Date you report on the Form 486 or no later than 120 days after the date of the Funding Commitment Decision Letter, whichever is later. If you are required to have a Technology Plan, that plan must be approved by the start of service for this funding year, you must indicate the SLD Certified Technology Approver who approved your plan and you must retain your approval letter and documentation of your monitoring of the progress toward your stated goals.

CHILDREN'S INTERNET PROTECTION ACT (CIPA) - You must be in compliance with CIPA and cannot request a waiver, if FY2004 is your Third Funding Year for the purposes of CIPA.

INVOICE DEADLINE - Invoices must be postmarked no later than 120 days after the last date to receive service - including extensions - or 120 days after the date of the Form 486 Notification Letter, whichever is later. Invoices should not be submitted until the invoiced products and services have been delivered and billed, and (for BEAR Forms) the provider has been paid.

OBLIGATION TO PAY NON-DISCOUNT PORTION - Applicants are required to pay the non-discount portion of the cost of the products and/or services. Service providers are required to bill applicants for the non-discount portion. The FCC has stated that requiring applicants to pay their share ensures efficiency and accountability in the program. If you are using a trade-in as part of your non-discount portion, please refer to the SLD web site.

RETAIN DOCUMENTATION - Applicants must retain documentation, including but not limited to, documents showing:

- compliance with all applicable competitive bidding requirements,
- products and/or services delivered (e.g., customer bills detailing make, model and serial number),
- resources necessary to make effective use of E-rate discounts, including the purchase of equipment such as workstations not eligible for support,
- the specific location of each item of E-rate funded equipment, and
- the applicant has paid the non-discount portion.

These documents must be retained and available for review for 5 years.

SUSPENSION AND DEBARMENT - Persons who have been convicted of criminal violations or held civilly liable for certain acts arising from their participation in the Schools and Libraries Support Mechanism are subject to suspension and debarment from the program.

FREE SERVICES ADVISORY - Applicants and service providers are prohibited from using the Schools and Libraries Support Mechanism to subsidize the procurement of ineligible or unrequested products and services, or from participating in arrangements that have the effect of providing a discount level to applicants greater than that to which applicants are entitled.

Complete program information - including more information on these reminders - is posted to the Schools and Libraries Division (SLD) web site at www.sl.universalservice.org.
